[IRIS PSM Agenda Oct 2016 Final.pdf](#)

Dear IRIS Public Science Meeting Registrant,

This email contains the agenda, virtual participation guide, and key science topics for EPA's *IRIS Public Science Meeting* on Wednesday, October 26th.

Attachments

-  The **Agenda** has details about meeting sessions and times.
-  The **Virtual Participation Guide** contains instructions for participating via webinar if you cannot make it to the meeting in person.
-  The **Key Science Topics** document provides additional background information on the topics that will be discussed during the meeting.

The meeting will be held at EPA's Potomac Yard South Conference Center – 2777 South Crystal Drive, Arlington, VA 22202, and by webinar/teleconference. Additional information is available on the EPA website (<https://www.epa.gov/iris/iris-public-science-meeting-oct-2016>).

If you have any questions, please email the logistics team (EPA_IRIS@icfi.com).

We look forward to a great meeting!
